

FINGRINGHOE PRIMARY SCHOOL SPORT PREMIUM DEVELOPMENT PLAN and IMPACT 2018-2019

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that we should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that our school already offers
- build capacity and capability within our school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport
