

Exam and Assessment Results 2019

STANDARDS ARE IMPROVING

We are working hard to improve results. Please refer to the Ofsted February 2018 Inspection Report and Church of England Report on our website to find out what we are doing to raise standards.

Progress scores for the year 2018-2019 were in-line with national data for writing and below average for reading and maths. Historic reasons have been identified for this and we are working closely with our Tiptree and Stanway Schools' Consortium and our School Effectiveness Partner (Essex) to ensure this is not the case again. Our current and future pupils have much improved forecasts.
