Dear Parents,

I hope that you and your children have had lots of fun this week with our Wellbeing offer. It was lovely to see the snow arrive and to watch children sliding down the slope on the village green. I am not sure that it quite so much fun now! We have lots of lovely photos of the activities that children have undertaken.

Next week is Half Term and it will be a very different one to previous years. I do hope that you and the children have some downtime together and enjoy each other's company without the worry of home learning. School opens for children of key workers and the vulnerable Tuesday 23rd February.

Mrs Daniels and I would like to say a big thank you to all parents you have supported your children brilliantly. We have been delighted at the large number of replies to our parental survey. Thank you for taking the time to fill it in. The overwhelming message is very positive, and we will reply to you when we have analysed the results.

We have now said goodbye to Mrs Rollings, I'm sure you will all join us to wish her all the very best for the future.

Take care of yourselves and enjoy next week.

Mrs Faulkner & Mrs Daniels
