Dear Jenny and Paul,

Thank you for inviting the Local Authority to express its views on the proposed federation between Holy Trinity CofE Primary School and Fingringhoe CofE Primary School.

Having considered the key aspects of the proposal document including: references to regulations and principles; the composition of Governing Board; the admission arrangements; employment & staffing arrangements; benefits and challenges; as well as the frequently asked questions, it is the view of the Local Authority to be fully supportive of the proposed federation between Holy Trinity CofE Primary School and Fingringhoe CofE Primary School.

Yours sincerely
