Head Teacher
Dear Parents & Carers,

Part of the school improvement plan this year is to look at supporting well-being of the whole school community. This includes pupils, staff & their families.

If you could spare a few minutes to complete this anonymous survey, it will help the school identify things it is doing well so they can be continued, as well as areas to develop.

Please click on the link below to be taken to the online form:

<https://forms.office.com/r/jw51h4KVXf>

The survey opens today and will close at 4pm on Wednesday 29th September. The results of this survey will be analysed along with staff and pupil's survey's and a well-being action plan produced.

Regards,
