SMOKING POLICY

Rationale

At Fingringhoe CofE (VA) Primary School, we value the health safety and welfare of all within our community as a highest priority. This policy has been developed to protect all children, employees, service users, customers, and visitors from exposure to second hand smoke. Exposure to second smoke (passive smoking) increases the risk of lung cancer, heart disease and other illnesses and Fingringhoe CofE (VA) Primary School will take all reasonable steps to protect the community and service users of the school.

We believe that a healthy and safe environment is important in terms of physical well-being and is also a vital factor in promoting emotional health, which in turn will affect the raising of standards.

It is important to us, that our policy and approach to smoking and the use of e-cigarettes (vaping) should reflect changing social attitudes, and actively reflect and support our goals for effective and lasting drugs education.

In developing our school's policy on smoking, we have sought to:

- Build on our commitment to community well-being
- Reinforce our drug education aims
- Reflect LA policy
- Meet DfE guidelines
- Comply with the law on smoking in public places

Aims

The policy seeks to:

- Guarantee a healthy working environment and protect the current and future health of employees, children, and visitors
- Guarantee the right of non-smokers to breathe in air free from tobacco smoke
- To comply with Health & Safety Legislation and Employment Law
- Raise awareness of the dangers associated with exposure to tobacco smoke
- Take account of the needs of those who smoke and to support those who wish to stop

This policy applies to all employees, parents, contractors, children, and visitors.

Roles and Responsibilities

Headteacher - It is the responsibility of the Headteacher to implement the school no smoking policy and to ensure that all staff are aware of policy and how to deal with any reported incidents.

The Headteacher reports to the governing body about the No Smoking Policy and its effectiveness on request. The Head teacher ensures that all children, parents, and visitors know that smoking or vaping is not allowed in school.

Staff - All staff takes the issue of smoking seriously. Staff members are expected to inform visitors of the no smoking policy and will intervene where smoking is seen or reported. However, they are not expected to enter into any confrontation, which may put their personal safety at risk. They keep their own records and report these to the Head teacher.

Governing Body - The Governing Body support the Headteacher in all attempts to ban smoking or vaping within our school grounds. This policy statement makes it very clear that the governing body does not allow smoking to take place in our school.

Children - The children are required to learn of the health risks associated with smoking and to understand that smoking or vaping is not allowed within our school.
