

The Primary PE and Sport Premium

Planning, reporting and evaluating website tool

Updated July 2024

Commissioned by

Department
for Education

Created by

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2021/2022, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2023.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount allocated for 2023/24 To be spent and reported on by 31st July 2024.	£16780
---	--------

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022. Please see note above	87%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	87%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	87%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2023/24		Total fund allocated: 16780		Date Updated: July 24	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation: %
Intent	Implementation		Impact		
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
To continue to increase children’s participation in physical activity at lunchtimes. To further upskill MDAs.	Lunchtime club – Sports Coach MDAs – Daily CPD provided for MDAs Range of resources provided by Subject Lead		£1020 £6574 Time £200.00	Children are more physical during their breaks. Activities are more structured. More equipment has allowed for a greater range of choice to encourage pupils to be more active.	
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement					Percentage of total allocation: %
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport					
Intent	Implementation		Impact		
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

Knowledge, confidence and skills of teaching staff will be increased	Staff will teach alongside Sports Coaches to further develop their skills and knowledge.	£4320 £2280	All staff are part of PE lessons. Video evidence of part of lessons which shows skill progression – this can be referred back to for coaching opportunities.	
--	--	----------------	--	--

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils
Key indicator 5: Increased participation in competitive sport

				Percentage of total allocation:
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Increased participation of Early Years and KS1 pupils in extra-curricular sports	<p>Subject lead to organize Born to Move Festival for KS1 within Consortium meetings</p> <p>After-school club provided for Early Years and KS1 pupil – CPD on offer to upskill staff.</p> <p>Resources to support club and training.</p>	<p>£300</p> <p>£120</p> <p>£1000</p> <p>£966</p>	<p>School took part in 'Born to Move' Festival – organised by own staff. This will be repeated next year.</p> <p>Gymnastics club run for KS1. Club for both key stages next year.</p>
