

Would you like to join our new Parent Forum?

What is the Parent Forum?

A collaborative group of elected parent representatives working with the school's leadership team to strengthen communication and support continuous improvement.

Purpose

- Support Improvement
- Strengthen Communication
- Promote Positive Partnerships

Parent representatives will provide important and constructive insight from the parent community at Fingringhoe. Representing the collective parent voice, parent representatives will work collaboratively with school leaders to improve clarity and flow of information, creating a positive partnership through a solutions-focused dialogue.

Who's Involved?

- Parent Representatives
- School Leaders

Each year group will elect one parent representative through an open nomination and voting process. Representatives serve for a defined term (e.g., one academic year), with the option for re-election. The Headteacher (or a designated senior leader) will attend all meetings. Other members of the school leadership team may be invited as appropriate.

What Parent Reps Do

- ✓ Open-minded
- ✓ Positive problem-solver
- ✓ Balanced communicator
- ✓ Represents the group, not individuals

- Gather year-group views
- Communicate fairly and professionally
- Focus on solutions
- Share updates back to parents
- Maintain confidentiality
